Altium Q3 sales and revenue update

Altium reports continued growth in all markets

Sydney, Australia – 3rd April 2008 – Altium Limited (ASX:ALU), the electronics design industry's leading developer of unified electronic product development solutions, has reported financial results for the third quarter ending 31st March 2008.

For the three months ending 31st March 2008, Altium reports:

- Sales of A\$13.72 million, an increase of 6% over the equivalent period a year ago; or sales of US\$12.48 million, an increase of 23% over the equivalent period a year ago
- Revenue of A\$13.31 million, an increase of 9% over the equivalent period a year ago; or revenue of US\$12.11 million, an increase of 25% over the equivalent period a year ago

All regions saw growth in sales for the period, measured in local currencies. Sales grew by 16% in the Americas (US\$); by 21% in Europe (€); by 55% in China (US\$) and by 2% in APAC excluding China (US\$). Sales in consulting services in Europe fell 26% (measured in euros) as part of a continuing and planned reduction in these services.

The deferred revenue balance at 31st March 2008, reflecting the difference between recognized revenue and maintenance revenue yet to be recognized, grew by 7% to A\$8.94 million, or by 22% to US\$8.19 million, both compared to the balance at 31st March 2007.

Altium has also updated shareholders today. That presentation has been lodged separately with the Australian Stock Exchange.
